PROFESSIONAL / PRACTITIONER DATA SHEET

P5 Reserve

Intensive peptide renewal featuring 3% GHK-Cu + 3% SNAP-8, with complementary peptide, hydration and barrier-supporting ingredients.

PROFESSIONAL POSITIONING

A high-potency dual-peptide topical cosmetic serum designed to address visible structural skin aging and expression-related lines. Featuring elevated concentrations of 3% GHK-Cu and 3% SNAP-8, it is positioned to support firmness, texture, elasticity and radiance while complementing the skin's natural renewal processes.

Designed for daily AM/PM use and for incorporation into professional aesthetic skincare programs when topical application is appropriate.

COLLAGEN + ELASTICITY	EXPRESSION LINES	INTENSIVE SKIN QUALITY
3% GHK-Cu supports collagen, elastin and extracellular-matrix remodeling pathways	3% SNAP-8 supports a smoother-looking appearance of dynamic facial lines	Elevated peptide concentrations support firmness, texture, hydration and radiance

KEY FORMULATION COMPONENTS

- GHK-Cu (Copper Tripeptide-1) - 3%: elevated copper-peptide concentration supporting collagen and elastin pathways, fibroblast activity and extracellular-matrix remodeling.
- SNAP-8 - 3%: elevated peptide concentration intended to support a smoother-looking appearance of expression-related lines.
- Palmitoyl Tripeptide-5: complementary peptide supporting firmness and elasticity.
- Palmitoyl Pentapeptide-4: complementary peptide supporting smoother-looking texture and matrix conditioning.
- Sodium Hyaluronate, Panthenol + Trehalose: hydration, moisture-retention and barrier-conditioning support.

PROFESSIONAL APPLICATIONS

May be incorporated into cosmetic skincare programs addressing:

- Fine lines and dynamic wrinkles
- Loss of firmness and elasticity
- Uneven-looking tone and texture
- Dull or photoaged appearance
- Intensive regenerative / age-support skincare
- Between-procedure maintenance when appropriate

DIRECTIONS

After cleansing in the morning and evening, apply 5-6 drops to the face, neck and décolleté. Spread with fingertips until fully absorbed. Follow with a moisturizer and/or sunscreen.

FORMULATION PROFILE • 30 mL / 1.0 fl. oz. • 3% GHK-Cu • 3% SNAP-8 • Multi-Peptide Complex • Intensive Daily Renewal

PROVIDER PROTOCOL

How to integrate P5 Reserve

An intensive peptide-renewal step for professional skincare programs and structured at-home maintenance.

1	**PREP**	Cleanse and dry skin. Complete any planned aesthetic procedure according to the provider's protocol.
2	**APPLY**	Apply 5-6 drops evenly to the face, neck and décolleté.
3	**ABSORB**	Allow serum to fully absorb before layering additional skincare.
4	**FINISH**	Follow with moisturizer; during daytime use, finish with SPF.

EXPECTED COSMETIC BENEFITS

- Supports firmer-looking skin and elasticity
- Supports smoother-looking dynamic facial lines
- Helps improve the appearance of texture and overall skin quality
- Supports hydration and skin conditioning
- Complements intensive age-support skincare programs

HOME-CARE GUIDANCE

Use twice daily (AM & PM) on clean, dry skin. Apply 5-6 drops to face, neck and décolleté. Allow to absorb before moisturizer; use SPF in the morning.

PRO TIP

Consistency is central to a peptide skincare regimen. Following an aesthetic procedure, the treating professional should determine appropriate timing for topical application.

PRODUCT INCI - AS SHOWN ON SUPPLIED PACKAGING

Water, Glycerin, Butylene Glycol, Lactobacillus/Soybean Fermentation Filtrate, Trehalose, Tripeptide-1 Copper, Panthenol, 1,3-Propanediol, Seawater, Phenoxyethanol, Dipropylene Glycol, Triethanolamine, Carbomer, Caprylyl Glycol, 1,2-Hexanediol, Ethylhexylglycerin, Hexanediol, Polyglycerol-10 Laurate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, PEG-40 Hydrogenated Castor Oil, Acetyl Hexapeptide-8, Phytosterols/Cyclododecyl Lauroyl Glutamate, Tocopheryl Acetate, p-Hydroxyacetophenone, Hydrolyzed Red Algae Extract, Sodium Hyaluronate, Squalane, Hydrolyzed Collagen, Lecithin, Sandalwood Oil, Palmitoyl Tripeptide-5, 1,2-Pentanediol, PPG-13 Decyltetradecyl Polyether-24, Palmitoyl Pentapeptide-4.

PROFESSIONAL USE NOTE	For external cosmetic use only. Avoid contact with eyes. If contact occurs, rinse eyes thoroughly with water. Discontinue use if signs of irritation or rash appear. Keep away from children. Store away from light and extreme temperatures. Providers should determine appropriate timing of topical skincare following aesthetic procedures.

Healthcare Professional Disclaimer. This sheet is intended for licensed healthcare professionals and skincare professionals for educational and product-information purposes. P5 Reserve is a cosmetic product and is not intended to diagnose, treat, cure, or prevent disease. Providers should use independent clinical judgment when determining whether and when a cosmetic product is appropriate following a procedure.
